Press Release

Villa Grove CUSD #302 Withdraws from Little Okaw Valley Conference

Villa Grove CUSD #302 has formally submitted a letter of withdrawal from the Little Okaw Valley Conference. As members of the Southeast Division, travel time for students and parents, uncertainty of schools being able to field teams, low attendance at events, and lack of natural rivalries were our main concerns. Villa Grove has explored different avenues and is currently working on the option that best fits the interests of our student-athletes and our school community.
